## Since 1963...

Industrial Electronic Supply, Inc. (IES) has been serving you – our customers, as the distributor you trust to deliver quality products from top suppliers. Plus, because our **vast selection** includes everything from **specialized automation solutions**, to the tools and supplies you use every day, IES can help you **reduce purchasing requirements, paperwork, and procurement costs.**

You can also rely on IES to provide **exceptional service.** As a privately owned business, we are committed to the customers and communities we serve. And, our highly trained team of experienced professionals has the product knowledge, resources, and technical expertise to help you find the **most cost-effective solutions to your toughest challenges.**

## Let's get started...

Discover more about the tools and technologies we can put to work for you, request a product information kit or demo, plus get exclusive pricing, and more at:

[www.goIES.com/start](http://www.goIES.com/start)

### Don't Miss Out on IES Insights + Exclusives

Delivered just once a month, to your inbox, you'll get:

- News on the latest products + innovations
- Training opportunities + event invitations
- Exclusive pricing + offers
- Valuable tips, insights + resources

[www.goIES.com/Insights.html](http://www.goIES.com/Insights.html)

### Rather repair than replace? Of course! Didn't originally purchase from IES? No problem!

IES can still help you coordinate repairs on many of the products we carry – allowing you to potentially save money, and avoid the hassles that can be associated with repairs – like managing quotes, documentation, and tracking. Email: [repairs@goIES.com](mailto:repairs@goIES.com)
